

EDUARDO MONTAÑA JR., M.D., M.P.H.

Dr. Eduardo Montaña invites you to subscribe your family to the Children's Cardiovascular Medicine telemedicine portal through www.videomedicine.com . This portal can be used on any computer, cell phone or I pad. Simply go the website or download the app to your smart phone and subscribe as a new patient.

As a patient you can enter your past medical and family history, your health insurance information and join the CCM Health Group by entering the key provided:

CCM2016

At your convenience anytime you need a consultation with Dr. Montaña that you feel can be fulfilled through a video consultation, just schedule time (in 10 minute increments) for your private confidential consultation.

Dr. Montaña and CCM also provide the services of two certified nutritionist if you feel your family would benefit from some professional nutrition consultation.

We continually strive to bring value to your families' health experience. At Children's Cardiovascular Medicine

We understand the importance of you having:

"Your Health, Your Family's Health, in Your Hands"
